*** Notes**

Seats: Individuals recognized as occupying a member company's seats will be recognized for their active engagement in CCRO activities on an on-going basis. Please note that when nominated by a seat holder, other staff may be welcomed on a short-term basis to contribute any needed expertise.

Recognition: Public acknowledgement is contingent upon active involvement in content development.

Co-chairs: Acknowledged group leaders that promote an initiative and manage its development process.

Enterprise Membership: This licenses both US and international parent/subsidiary offices as one enterprise, each with five seats included.

WG: A CCRO working group or initiative
